

## **Quadriga announces another year of substantial financial and operational growth**

**29<sup>th</sup> April 2008** - Pension Corporation is delighted to have supported Quadriga in securing additional and ongoing investment allowing it to deliver substantial financial and operational growth. Group revenue, EBITDA and cash flow targets have been exceeded and Quadriga now provides services to approx 410k hotel rooms in over 50 countries.

Quadriga is the European market leader in the provision of integrated broadband, internet and entertainment services for business and leisure guests staying in hotels.

Pension Corporation Investments and other co-investors acquired Quadriga in August 2007. Quadriga was acquired by Pension Corporation from Terra Firma Partners as part of the larger acquisition of Thorn which included Pension Corporation becoming the ultimate sponsor to Thorn's £1.1 billion pension scheme.

Pension Corporation is committed to providing leading corporate oversight and management capabilities to the companies in which it invests to ensure the continuing growth of the business to become market leaders, whilst also ensuring the safe and secure corporate sponsorship of their pension schemes.
